

Guys and Dolls Tech Week Meals

Dear Parents & Guardians, Students, and Directors,

It has been a tradition to offer meals to the cast, crew, directors, and pit members during Tech Week. Tech Week is Monday, November 16th – Thursday, November 19th. Meals will be served at approximately 5:00pm in the Pike Freshman Center Café.

We would like to offer a home-made pitch-in on Monday night, then possibly pizza/Italian, subs, or chicken the following nights. We need volunteers to help make this happen. Possibly you can help serve and clean-up on one of the evenings? Can you donate paper plates, napkins, cups, utensils, or large bottled drinks or water? If you have a connection at a local eatery, maybe you could help to arrange for an inexpensive or donated meal? Love to cook... maybe you can donate a dish for Monday's meal?

Please contact phstheatre@comcast.net or Ms. Stratton to offer your help. This is a great way to assure that your student is eating during this busy and demanding week. Also, the students have a good time socializing and it is a great team building experience. These meals are always a huge hit and your help is always appreciated by the students, staff, and parents.

In order to “reserve a spot at the table”, please place the form below along with the \$20.00 payment in a sealed envelope labeled “**Tech Week Meals**” and turn it into Ms. Stratton no later than **Tuesday, November 3rd**. If you do not care to participate, please indicate this on the form below.

Thank you.

Your Name (please print): _____

- No thank you. I do not wish to participate in Tech Week Meals.
- Yes, I would like to participate in Tech Week Meals.
 - I have included \$20.00 in cash.
 - I have included a \$20.00 check payable to Pike High School Theatre.
